Dear Liane and Tobin,

On behalf of myself and all of us here at Sacramento City College and the Los Rios Colleges Foundation, thank you for your incredibly generous gift of \$15,000 for the SCC Music Department. Your gift goes a long way at Sacramento City College, enabling our students to stay in school and reach their goals.

For years, I've seen the difference our students make in our community and the world around them. It all begins here, by helping each one thrive at the start of their educational journey.

Your kindness offers a path forward and a bright future for deserving students with big dreams and incredible potential. Thank you for making higher education possible for our students! You're giving them a path to a better life.

Gratefully,

Paula L. Allison, MBA
President, Los Rios Colleges Foundation
