Thank you!

Dear Mr. Rockley:

Thank you for your recent generous gift of \$10,000.00 to fund scholarships for students at UA-Pulaski Technical College.

Your gift makes it possible for a student to be the first in her family to graduate from college. With your help, students earn an associate degree and gain employment, or earn a two-year degree and transfer to a four-year college, all at an affordable tuition. Let me tell you about one student who is grateful for you.

Kaley Osborne, 19, is a sophomore at UA-PTC, the first in her family to attend college. She's juggling college, helping her mom, Cecelia and her dad, Ralph, and working part-time. She's involved in student organizations and serves as the Vice President of the History and Politics Club. She works in student services and is one of 20 student ambassadors for the college. She's majoring in journalism and will earn her Associate of Liberal Arts and Sciences degree in May 2025.

I know you join me in wishing Kaley the best! You are part of her success. Please call me at 501-812-2211 or email mhendricks@uaptc.edu if I can be of help to you or host you for a campus tour.

Sincerely,
Melissa Hendricks
