Dear Tobin and the Rockley Family Foundation:

Thank you for your generous support of the Music program at the University of Colorado Colorado Springs. In the 23-24 academic year, your foundation loaned us 21 instruments, including 12 digital pianos for our piano lab, two baby grand pianos for a practice room and classroom, and 3 Yamaha uprights for practice rooms and a faculty studio.

Your contributions included the following in-kind donation values.

- Rental (lease): \$130,000.00
- Delivery: no exchanges
- Technical: \$4,800.00
- 3- Damp Chaser \$2,397.00 (systems only- outright donation)
- Total Gift \$137,197.00

We are deeply grateful for your instruments, which sustain our program and help over 100 music majors and minors make music.

Sincerely,

A handwritten signature in black ink that reads 'Yiheng Yvonne Wu'. The signature is fluid and cursive, with the first name 'Yiheng' being more prominent.
